

**En Lumière - CCI France Philippines' 1st Gala Night Dinner
8 November 2019 | Friday 6:30PM | Fairmont Makati**

Greetings from CCI France Philippines!

The French Chamber of Commerce and Industry in the Philippines (CCI France Philippines) is a non-profit and self-sustaining organization which aims to promote and strengthen the bilateral business relations between France and the Philippines.

CCI France Philippines will be launching its very first gala dinner this year with the theme En Lumière and centered on French excellence. La Soirée will be held at the Ballroom of the Fairmont Makati on November 8, 2019.

Last year's gala was a celebration of the marvelous 30 years of CCI France Philippines through a black-tie event to recognize the valuable role that the organization has played in bridging bilateral ties between French and Philippine businesses. La Soirée was a gathering of sorts which will be front lined by the best of French culture, wine and cuisine.

For this year's gala, the format will be a sit-down dinner of around 400 VIP guests from different European-Philippine communities and prominent members of the country's business, diplomatic corps and social circles. It is a privilege to host Chef Anne-Cécile Degenne – hailing from Bordeaux region to spearhead the five-course menu paired with the finest wines centering on French excellence while watching a breathtaking live entertainment show. Launched in 2017, the Business Awards Night will also be part of the program to showcase and recognize the excellence of the companies representing the French and Filipino business community in their respective industries.

In this regard, CCI France Philippines is cordially inviting you to join us in this gala dinner. To book a table, you may fill out the form below.
